Electronic Health Records- 10/2

The Stimulus Bill of 2008 requires that all health care providers convert to an electronic health care record system by 2017. The system must integrate with other Health Care Offices, hospitals, insurance companies and pharmacies. This portion of the Stimulus Bill called the HITECH act allows for financial incentives for providers to become compliant. However the deadlines are rapidly approaching. This lecture will present the "need to know" facts on getting your office compliant.

Multi-Cultural Oral Health Summit in Boca Raton, Florida. The meeting was a collaborative effort with the Hispanic Dental Association and the Society of American Indian Dentists that brought together over 1100 dentists and auxiliaries. The theme "Collectively Meeting the Needs of a Diverse Population to Improve Oral Health" was the backdrop for an insightful meeting that focused on health issues affecting diverse populations.
