

Angel City Dental Society Continuing Education Series

California Dental Practice Act: Avoiding Common Issues With The Dental Board

Course Description: 2 CE Units

This two hour continuing education seminar provides the basic requirements of the California Dental Board while emphasizing how to avoid problems that could be detrimental to your profession as a dentist. Taught by an attorney with over 30 years experience representing dentists in dental law matters, the course emphasizes standard of care and presents actual case studies of dentists subjected to Dental Board discipline.

The Speaker
Patrick J. Wood, Esq.

Attorney Wood is a member of the law firm Wood & Delgado and has been representing dentists for 34 years. Mr. Wood received his B.A. degree from UCLA and his JD degree from Southwestern University. He was admitted to practice law in California in 1978, and is also admitted in Texas and Colorado.

The firm's primary emphasis is on dental practice sales, lease reviews, associateships, corporations, partnerships and related transactions. The firm also specializes in dental board defense, estate planning for dentists and employment law issues.

Mr. Wood has lectured extensively at dental conventions, dental societies and dental schools. He currently delivers approximately 15 practice transition seminars throughout the country each year. His firm negotiates over 100 office leases each year, and is involved in approximately 100 dental practice sales each year. He has written numerous articles that have been published in dental publications such as "Dental Economics", "Journal of California Dental Association", "Strategies for Success", "The New Dentist", "CEDS Magazine", "Dentaltown", "The Nugget Magazine", and "Journal of Colorado Dental Association".
